

THE POINT WATERSPORTS CLUB

3 MAY 2022

FESTIVAL REPORT

The weekend of the 29th of April saw PWC host the DSBC Ski Boat Festival for the first time since 2019

Organisers and staff were uncertain what to expect, but the event went off smoothly and while the fishing wasn't the best a great time was had by the participants

Congratulations to Francois Toerien who won a Seacat 520 boat (total value R500 000) with a Cousta of 25.52 kg !!

This was the first event of this size to be held at PWC since moving to our promenade site and we look forward to hosting more of these sort of events for all of the disciplines

CASH, CREDIT CARDS AND CLUB WALLETS

For security reasons the club is aiming to go cashless by June.

Cell signal is also very poor at the club, resulting in very slow credit card transactions, payment failures and double charges.

Often the queue at the kitchen or bar is due to slow credit card transactions.

For these reasons Directors and Management would like to encourage members to use their card wallets.

It is preferable to use the MyClubAccount facility at myclubaccount.co.za to top up your loyalty card. Alternatively, you can visit a tillpoint at the Club to load funds onto your card with your credit/debit card.

See the Attachment for a guide to using our MyClubAccount service.

DOGS AT THE CLUB

Please be a responsible pet owner - dogs visiting the Club need to be on leashes at all times - there was a security guard bitten by a dog over the weekend.

Water bowls are at each entrance of the club - do not offer the Club Coffee mugs to your pet for a drink, especially on outside Club tables - for hygiene reasons of course!
