Dear Members,

We have some exciting events lined up for this week!

Join us on Thursday night for live entertainment with Lance Goldman, promising a fun and lively evening. On Friday, in celebration of Women's Day, we'll be offering a complimentary glass of bubbly to the ladies (over 18). Enjoy live music with DJ Spike while you relax & unwind. Please take note that Friday will follow public holiday hours: the kitchen will close at **17h00**, and the club will not be open that evening.

On Saturday morning, catch the Boks as they take on Australia at 06h30. We'll be serving a breakfast special for R95 for members, which includes two fried eggs, bacon, steak, pork sausage, beans, a fried tomato and chips.

Thank you for your continued support and participation.

See you at the club!

Durban Ski Boat Club

After a good few weeks of flat seas and windless days, it looks like we are heading into the beginning of the spring weather. Typically, the change of seasons brings more erratic winds and swells, and while there will still be some great fishing days to be had, they may be fewer than what we have enjoyed recently.

Fortunately though, we managed to squeeze our last winter Monthly Mug competition in over the past weekend, and some cracker fish were landed.

Rob Hamburger took the Senior category prize, with a very special Cobia, weighing in at 20kgs, while **Claire Joyce** took the Junior category with a very nice 2.6kg Snoek. Congratulations to you both!

Coming up on **Wednesday 14 August**, we will be hosting another of our "Tackle Talks," and this time we will be looking at anchoring and all the technical issues that go into setting and retrieving an anchor safely, as well as a deep dive into the world of jigging. Slow-pitch jigging is an aspect of our sport that is taking off in a huge way and there are a lot of tips and tricks that can make this new format a lot less intimidating to a newcomer, so join us for a beer and a chat in Bar 2.
