Durban Ski Boat Club

With all of the gloomy weather around at the moment, there is at least one ray of sunshine at the club this week. **Graham Joyce** has been hard at work getting our brand-new tractor prepped, customized, and ready for action later this week. This is the 2nd new tractor that the club has acquired in a year and under Graham's supervision, we are sure of a super-smooth operation going forward. Thanks, Graham for all your hard work.

This coming weekend, we have two teams heading down to the South Coast for the Park Rynie Ski Boat Club Interclub competition and we wish them all the very best of luck and fair weather. Entries for our December Dorado Bonanza are now open. The competition that takes place on the **15th of December** has an R15 000 prize for the biggest Dorado caught, as well as cash prizes for 1st, 2nd, and 3rd places in the Men's, Ladies, and Junior's sections. This competition is open to all offshore anglers and the R200 entry fee, per person, includes a braai pack from Bluff Meat Supply. You can enter using the following link - <https://forms.gle/wZr4G3pLYf1KK5Wa7> We look forward to seeing you all there.

Also coming up very soon is our long-awaited tackle talk on jigging, where we will shed some light on both vertical and slow-pitch jigging. This aspect of fishing can and will turn a slow day into something fun and exciting, and will almost certainly prove to be very addictive. The talk will take place in Bar 2 at 5:30 for 6pm on the **7th of November**.

Join us on **10th November** for an exciting workshop where you'll learn relaxation & visualization techniques used by freedivers to enhance their performance during deep dives. This workshop is open to everyone – no prior freediving experience required! Visualization helps improve focus, build mental resilience, and boost performance, while relaxation techniques activate the parasympathetic nervous system, promoting calmness, lowering heart rate, and improving breath control. **FREE for DUC members** | R350 for non-members.

SURF SKI - TUESDAY SHEBEEN PADDLERS – “NO FEAR, PLENTY BEER”

This group combines paddling and beer! What could be better? We paddle at **16h00 every Tuesday** afternoon from DUC. The paddle is a 'standard' 6km out and back, depending on the wind direction. We do not have a leader or coach but enjoy an unstructured group paddle and decisions about where to paddle are made by group consensus.

We welcome any and all paddlers – we're a social bunch that enjoys a good paddle, followed by beer and banter!

WATERPOLO

Team report for first game of the season 2nd Division: A strong opposition faced off against Duc Orcas on Wednesday 16th. The DUC continued to claw back from being 2 goals down until the final chukka when we went a goal up with 2 minutes left in the game.

Unfortunately DUC could not hold on to this advantage and lost by one goal in the final 30 seconds. DUC 8 – Clifton 9. Well done all the same to this DUC Team which is the only team in the league that offers a mixed team. Next game **18.45 on Wednesday** at Northwood School. Come and support the team!
