WATERSPORTS

Durban Undersea Club

Continuing our Committee introductions, this week we have our **Treasurer: Leigh Phillips** - “After many years of lecturing and managing the financial and administration functions of various companies I am now “retired” and cannot believe I ever had time for work. I had been the Secretary for DUC for 10 years when Ian Agg the then Treasurer wanted to retire. I was asked to take over as Treasurer in 2018 and have helped to oversee the accounting set up of the new Jonas system at PWC level and also converting DUC to the new operating system. While this is by no means a full time position, it is a busy one which I take seriously - bearing in mind always that my position is one of guardian of the DUC funds.” From next week we’ll be introducing the people behind each of our Water sports disciplines offered with DUC.

For now, we have lots of exciting things happening this weekend, kicking off with our first **Open Water League Swim** on Saturday. Online entries close on Friday at 13h00, enter online at www.duc.co.za. If this is your first league swim, contact **Steve Evans** on 082 855 5516 for your swim number.

The first **Beach & Reef cleanup** of the year with the **Breathe Conservation** team is also happening on **Saturday at 07h30**! Don’t forget to bring your snorkel gear and join us in keeping our underwater environment clean and thriving and learn something new too.

The DUC beach is perfectly suited for our Stand Up Paddle members. Here we have member, **Carmen Du Plooy** enjoying a recent paddle in perfect conditions. Thanks for sharing Carmen!

Until next week, see you in the water!

Durban Ski Boat Club

Even though the wind kept most boats off the water over the weekend, the club was still a hive of activity. It was great to see some new faces at the competitive fishing meeting on Saturday and fantastic to see how many young junior anglers have joined to represent our club in this year's Interclub season. Immediately after that we were treated to an excellent **Gamefish Tackle Talk** presented by **Frank Sykes** and **Alain Kahn**, with some very interesting bait demos from Alain, which attracted a lot of attention. We have several other tackle talks planned for this year, so keep an eye out for those. Also, over the weekend, Alain was selected to the Protea men's side to represent South Africa at the 84th International Light Tackle Billfish Tournament in Guatemala, which will take place in May this year. We'd like to congratulate Alain on reaching this pinnacle in his competitive angling career and wish him all the very best for the upcoming Tournament. Alain will be fishing alongside billfish specialists **Dave Martin** and **Wade Martin**.

Entries into this year's **Durban Festival '25** are rolling in steadily. We intend to make this year's competition the biggest and best yet, with tons of prizes, including fantastic prizes for Early Bird entries in February and March. Folks entering in February will get two tickets in the Early Bird lucky draw and, entries in March will receive 1 ticket. So, get in early and give yourself the best chance at winning a 254l Defy freezer. This year's Festival winner will be taking home an amazing **SEACAT 565**, fitted with a pair of 100 Hp Yamaha motors and trailer, for the biggest Couta caught. The competition will take place on the weekend of the **26th & 27th of April**, with **Monday the 28th** as a weather day, so be sure to save the dates. Entries can be done on our web page at - www.durbanskiboatclub.co.za/events/dsbc-festival/
Or by using the QR code below.

It looks like we are in for some decent fishing weather in the latter part of this week, going through to early next week and there are still a host of species to be targeted, from Dorado, Wahoo, and Sailfish to Couta and even some Daga and good bottoms.
