

POINT WATERSPORTS CLUB CLUBHOUSE UPDATE

Dear Members,

Unfortunately, the Kids Beach Party has had to be postponed again due to ongoing bad weather. We know how much our little members were looking forward to it, and we'll be sure to reschedule as soon as the forecast clears.

Despite the gloomy skies, there's plenty of action happening this weekend! We've got the DUC Monthly League Swim, the Reef and Beach Clean-up in collaboration with Breathe, and the DSBC Ladies Fishing Competition – a big weekend for our watersports and conservation communities.

Add to that some great live entertainment:

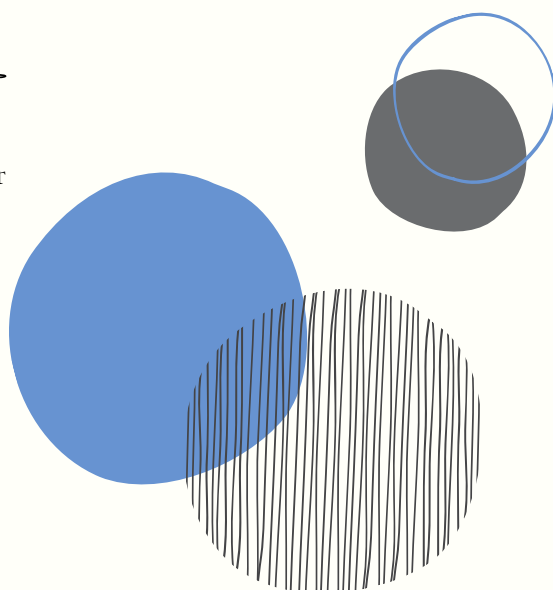

- Rick Rythms: **Friday** 17h30 - 20h30
- Igal: **Sunday** 13h00 - 16h00

Come down, get involved, and soak up the club atmosphere – whatever the weather!

Warm regards,

Grant Wessels
General Manager

SODWANA DELIVERS OCEAN MAGIC

The freedivers have just returned from a spectacular three-day trip to **Sodwana Bay**, where they enjoyed crystal-clear blue water, vibrant reefs, and incredible marine life. You can view the full photo album on the DUC Facebook page, and if this sounds like your kind of escape, make a note now - this trip will return in 2026 and is open to all experience levels. Thanks to **Marc Thoresson**, **Angie van der Hoogen** and **Geoff Philips** for the stunning images.

SA'S FIRST NITE SWIM A HUGE SUCCESS

This week also saw the successful launch of a brand-new addition to the swim calendar — South Africa's first **Nite Series** Swim. With over 75 entries and swimmers taking on the challenge. Thank you to all who took part in making it a success. A reminder that this **Saturday, 26 July**, is our monthly **League Swim**. The entry fee is R85, which includes a well-earned bacon and egg roll after your swim.

SCUBA WEEKEND PACKED WITH SIGHTINGS

Scuba divers were spoilt this weekend with epic dive conditions on both Saturday and Sunday. Saturday's dive at **Bikini Reef** delivered 20m visibility, 22-degree water, and zero current or surge. Reports from dive officer **Sarah Keyser** described it best: "Divers saw so much! Breaching whales, dolphins, cuttlefish, a massive turtle, razor fish, nudis, eels, fish everywhere!" Sunday brought more of the same with two eagle rays, a diamond butterfly ray, paperfish, a honeycomb eel, and even the discovery of a large anchor. These are the kind of weekends that make us proud to dive in Durban.

REEF CLEAN-UP THIS SATURDAY

Also happening this Saturday is our monthly **Beach and Reef Clean-Up** in collaboration with the **Breathe Conservation** team. Meet at the club at 07h30 for a short talk about shrimp before we head into the water to help clean up the reef. This is a great way to give back to the ocean while learning and connecting with like-minded members.

PHOTO CHALLENGE WINNER & NEW THEME

Congratulations to **Steve Evans**, the winner of July's **DUC Monthly Photo Challenge**. Looking ahead, August's theme is **Underwater Hockey**. Whether you're a seasoned player or just curious, now's the perfect time to try it out and capture the action. With the SA team currently training for the World Championships in the Netherlands, there's no shortage of inspiration to get in the water and get snapping! Contact Wesley (079 493 8237) for more info on this underwater sport.

Durban Ski Boat Club

The past weekend produced some excellent catches for our bottom fishermen, and there were plenty of good Natal Snoek around too. While the main bottom species is still Geelbek, Daga have started coming out in better sizes and more often.

While out on a trip off the Bluff on Saturday, **Dave Hewison** and his crew had a visit from a sub-adult Great White, which came within touching distance of the back of the boat. Have a look at the videos on our social media pages. This is at least the 3rd Great White sighting in the last few months, and they all appear to be separate animals.

Congratulations go out to **Deon Kemp**, who managed to land an astounding 45.2kg Copper Steenbras, fishing off of the commodore's boat, "**Vaai Dalla**" This size Copper is a pretty rare catch for Durban. Well done Deon.

Our **CMI Ladies' and Junior's Competition** is scheduled for this Sunday, and we are ready to showcase a spectacular event. At this stage, the weather conditions are not looking favourable, though we remain hopeful for a break. We'll also be setting aside time next weekend in case conditions don't improve. Again, please keep an eye on our socials for any updates. Entry to the competition is R150, and this includes lunch at the club.

This coming weekend, we also have a DSBC senior team heading up to Richards Bay to compete in the **Meerensee Ski Boat Club Interclub Tournament**, and we wish the guys tight lines and flat seas.
