

POINT WATERSPORTS CLUB CLUBHOUSE UPDATE

Dear Members,

After a string of beautiful winter days, the weather has turned a little soggy this week. As a result, we've had to postpone the **Kids Beach Party**. Keep an eye on the news alert group for updates on the new dates - we'll be sure to bring the fun once the sun returns!

A huge thank you to everyone who joined us for the **Durban July** event - it was a fantastic success and thoroughly enjoyed by all who attended. Well done to the team and everyone involved in making the day so memorable!

In the meantime, don't forget to book your seat for our upcoming **Movie Night** with special guest **Janet Solomon**, who will be screening her powerful documentary **Blue Burning**, followed by an engaging Q&A session. A great evening for those passionate about ocean conservation and storytelling.

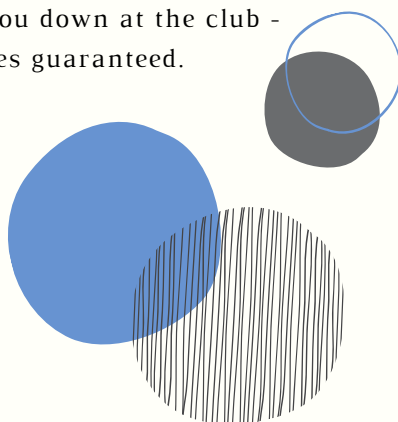

Don't let the rain keep you at home! The club is warm and welcoming, and we've got a great weekend of live music lined up:

- Friday: **Don Seagreen** 5:30pm-8:30pm
- Sunday: **Paulo** 1pm-4pm

Looking forward to seeing you down at the club - raincoats optional, good vibes guaranteed.

Warm regards,

Grant Wessels
General Manager

PHOTO CHALLENGE – ENTRIES CLOSE SOON

The July round of our DUC Monthly Photo Challenge is in full swing, and we're loving the submissions rolling in! This month's theme is **Open Water Swimming**, and the winning image will earn its photographer R250 credit on their DUC membership card. If you haven't entered yet, there's still time – **entries close on 14 July**. Send your photos via direct message to the DUC Facebook page.

WEEKEND DIVING CONDITIONS – TOP NOTCH!

The dive room was buzzing this weekend as both **freedivers** and **scuba divers** took full advantage of near-perfect conditions on Saturday. According to member **Adrian Pearton**, Durban truly delivered with 15–20m visibility on No. 1 Reef, a light south-to-north current, and water temps holding at 22°C.

SODWANA FREEDIVING TRIP

Excitement is building as we count down to the first **Annual DUC Freediving Trip to Sodwana**. With two boats launching daily, this promises to be a highlight of the winter season. There are still a few spots left, don't miss your chance to be part of the founding group for what we hope becomes a club tradition. For info and bookings, contact **Angie on 082 874 1706**.

OPEN WATER SWIMMING

Durban's early mornings have been nothing short of spectacular, and our open water swimmers have made the most of it with regular social swims. These informal meets are open to all levels, just reach out to **Steve on 082 855 5516** to get involved. Looking ahead, the next League Swim will take place on **Saturday, 26 July**. Entries are now open via My Club Account.

Durban Ski Boat Club

After all the great Snoek action of the past 2 or so weeks, it was surprising that almost none were caught on Saturday. In fact, it was a 10 kg Daga, caught by **Shaun**, that won the senior section of this weekend's monthly mug, and **Zuandre**, who took the Junior's category with a lovely 5.38kg Yellowfin Tuna. Predictably, some good bags of Snoek were brought in again on Sunday, so they are still around.

Last week, a number of good Couta were also caught, mostly south of Durban. Half Kob, Daga & Geelbek are still the main target species at the moment, and several boats are regularly bringing in good catches.

After the long live bait drought, we are currently enjoying a period where a wide variety of species are on offer. Red eye are everywhere, along with Natal sardines, Mozzies, and Mackerel. There are some really small Mackerel in the mix too, and these are proving to be irresistible to the bottom species.

We are only a couple of weeks away from our **CMI Ladies' and Juniors Competition** on **Saturday, 27th July**, where we have an exciting day lined up for our competitors, with some excellent prizes up for grabs. Entry is R150 per angler and includes lunch at the club. Entries can be done on the morning of the competition.

The coming weekend is looking a little wet and windy, so Friday might be a good day to use a sick leave day for your weekly fix
