

POINT WATERSPORTS CLUB CLUBHOUSE UPDATE

Dear Members,

A gentle reminder that membership cards are for members' use only. Guests (including spouses without their own cards) are not permitted to use your card on their own. If your guest is ordering, please be present at the till point. Children under 18 may be served using their parents' card. Please also note that cards may not be used to allow additional vehicles to park in the undercover parking.

Club rules will be enforced, and repeat offenders may face suspension of membership.

Another important reminder: membership subs must be settled in full by **31 August 2025** to avoid your card being deactivated on 1 September. If you have any queries, please contact accounts@pwsc.co.za.

Looking ahead, Durban Lifesaving Club will be hosting a Nipper Open Day - check out the details on the poster below and spread the word.

SAVE THE DATE – 2025 DUC AGM

Please mark your calendars for the 2025 **DUC Annual General Meeting** on **Thursday, 25 September**. Details and the formal notice will be sent out soon – we'd love to see as many members as possible there.

DUC STARS AT UNDERWATER HOCKEY WORLDS QUALIFIERS

The spotlight is on our **Underwater Hockey** division this week, as the South African teams compete in the Europe/Africa World Qualifiers in Dordrecht, The Netherlands, from 18 to 24 August. We are proud to celebrate our DUC members who are part of the action: **Wesley Reardon, Brent Borstlap, Byron de Waal, Julie Borstlap, Jeanie van der Merwe, and Tatton Bouras**. These athletes are flying the SA flag high in the Elite Men, Elite Ladies, and Masters Men's divisions – we're behind you all the way!

SNORKELING & REEF CLEAN – SATURDAY 23 AUGUST

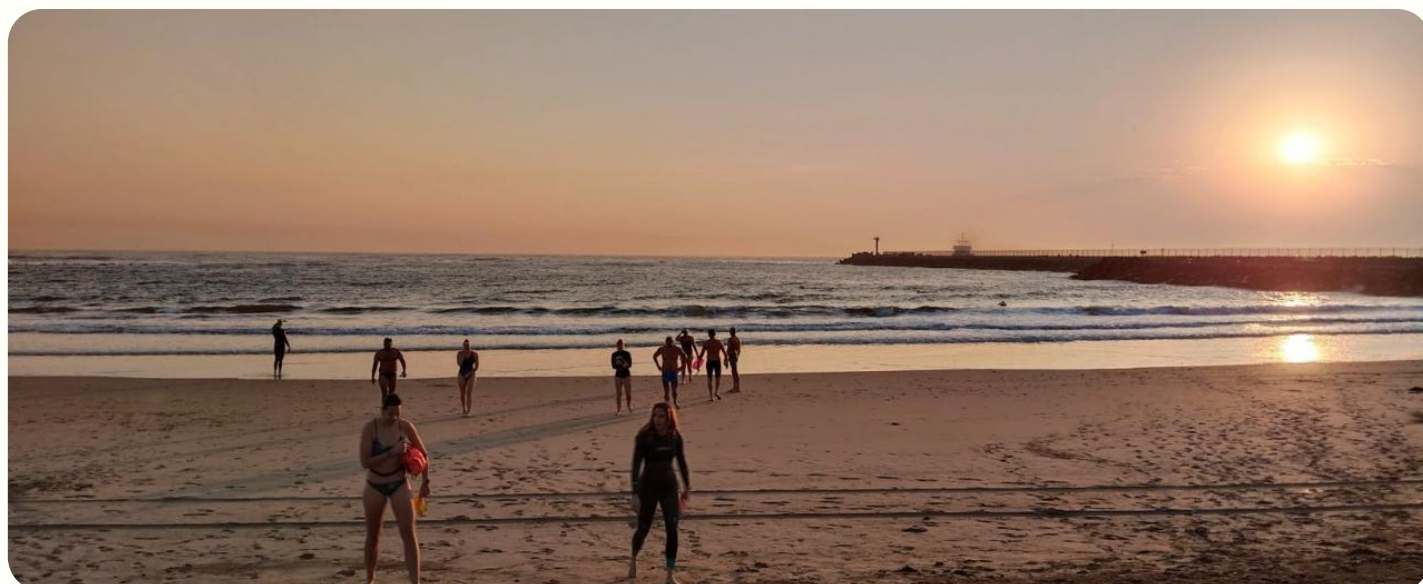

Conditions are looking perfect for snorkelling this weekend, so don't miss our **Beach and Reef Clean up** on Saturday. We'll meet outside the main bar at 07h30 before heading out. This week's ocean talk will focus on Nudibranchs and the Power Conundrum – fascinating little creatures with big stories to tell. Kit is available to share if you don't have your own, so just bring yourself and a sense of adventure!

WEEKEND DIVING RESCHEDULED

Last weekend's weather wasn't kind to our diving plans, but we're back on track this weekend. Both the Scuba and Freediving boats are running, with a few spots still available. Contact **Sarah** for the Scuba boat or **Angie** for the Freediving boat to book your space. Don't forget to RSVP for the braai on Saturday at 13h00 – the perfect way to celebrate a day in the water with good food and great company.

RABIE RELAY RACE – OPEN WATER SWIM

Join our DUC **Open Water Swimmers** for the always-popular **Rabie Relay Race** this Saturday, 23 August. Registration is at 06h45 for a 07h15 start. Teams of two will each swim two laps (a total of four laps per team). Entry is R100 per team and entries close on Thursday. If you need a partner, **Chris Shipley** (083 628 4281) will help you find your perfect match. Cash payments are accepted at registration. It's going to be a fun, social morning in the water – don't miss out!

Durban Ski Boat Club

Towards the end of last week, the Natal Deep Sea Angling Association hosted the SADSAA Bottomfish Interprovincial Tournament. DSBC angler Joel Egling played a key role in bringing the Natal White team from the back of the field after the 1st day, to finish the competition in 3rd place overall. Our Natal teams dominated the tournament, with the Natal Black senior team taking gold, and the Natal U/19 team taking 2nd place. Well done to all the anglers.

Mark Winterboer won the silver medal for skippers and was one of two Durban skippers, along with Dylan Egling, who gave up their time to help make the Interprovincial Tournament a great success.

Well done to all of you.

On average, ocean water temperatures in and around Durban are around 2°C cooler this year compared to August last year, and yet the last week has seen quite a few Dorado caught. These fish generally prefer water temperatures of 23 °C and more, but are being caught in water hovering just above 20°C. The great bottom fishing continues, and once again, a few very nice Copper Steenbras were caught this week, and Daga and Bek fishing are still producing great catches.
