

POINT WATERSPORTS CLUB CLUBHOUSE UPDATE

Dear Members,

It has been wonderful to see the club so festive over the past few days. Thank you to all our members for your patience, kindness and understanding while the team works hard behind the scenes to keep everything running smoothly during this busy period.

A gentle reminder that club parking is strictly for members only. Double swiping of access cards to allow non-members into the parking area will not be tolerated. Parking is limited and we appreciate everyone's cooperation and consideration during peak holiday times. **Please note that the club will be closing early on the 31st of December.**

As we step into the New Year, we would like to thank all our members for their continued support throughout the past year. We wish you and your families a safe, happy and rewarding year ahead, filled with good health, memorable moments and plenty of time spent enjoying the club.

ENTERTAINMENT LINE UP

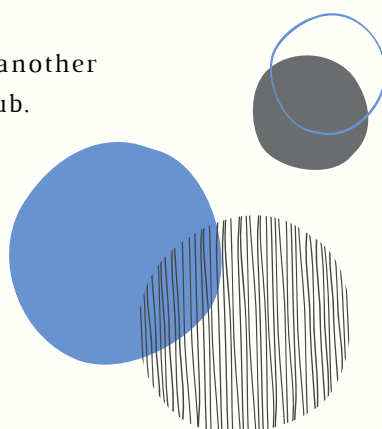

- **Thursday:** Murray & Mason 13h00 to 16h00
- **Friday:** Vikesh, 17h30 to 20h30
- **Sunday:** Beats Working 13h00 to 16h00

Sun & Public Holidays | 6:30am to 5:30pm

NOTE: Closing times are subject to weather and management discretion.
Kitchen orders to be placed 15 mins before closing time.

Durban Ski Boat Club

And that's a wrap for 2025. Another super-successful, fun-filled year for DSBC. A year in which we managed some excellent highlights, including our hugely successful Interclub Tournament, our biggest Durban Festival, some great upgrades to our wash bay facilities and an absolute cracker of a Dorado Bonanza, just to name a few.

The last week produced some brilliant fish once again, even with the limited fishing weather. Catches included everything from Marlin and Sailfish to Dorado, Couta, and a couple of very nice Black Musselcracker. Conditions look like they will begin improving from this weekend and through next week, and hopefully, we can look forward to that special time of year from late January to April, where we have more near-perfect fishing days than at any other period on the calendar.

DSBC has an extremely strong and talented group of competitive anglers, many of whom have achieved provincial, SADSAA and even Protea colours in our sport, and who had a very successful 2025. On Saturday, **17 January 2026**, we will be holding the 2026 competitive anglers meeting. This meeting is compulsory for all current competitive anglers wishing to continue their journey towards provincial colours and beyond. We had a very strong group of younger anglers this year and would like to see this area grow, so if you or your children would like to start competitive angling, please attend this meeting too. There is no better way to improve your angling knowledge and to get to fish all the great spots on the KZN coastline than through competitive angling, while building friendships and enjoying the camaraderie that comes with being part of this great sport.

The DSBC committee would like to thank all our members for their continued support over the past year, and we wish you and your families a very happy, prosperous, and fish-filled 2026.

Durban Undersea Club

There hasn't been much happening in the watersporting space over the festive season, aside from a few relaxed social meet ups and time spent simply enjoying the ocean together.

OPEN WATER SWIMMING

Our swimmers headed up to the Umdloti Dash, and what a jol it was. Nearly 90 swimmers took on the challenging conditions, proving once again that a bit of swell and current just adds to the fun and the stories afterwards.

FREEDIVING

The freedivers attempted a Boxing Day dive, but were met by a strong upwelling that turned the visibility completely upside down and had to abort the mission. On the way back inshore though, the ocean had one gift in store, with a pod of friendly dolphins cruising past and greeting some of the social paddlers. Not the dive we planned, but one we will definitely remember.

GENERAL

We want to use this quieter edition to say a genuine thank you to our members. Thank you for showing up, for supporting the club, for sharing your time, energy and love of the ocean. Whether you have been racing, diving, paddling, volunteering, helping behind the scenes, or simply being part of the DUC community, it really does matter. We are grateful for every one of you and look forward to many more shared moments on and in the water.

Thank You

from the DUC Committee
