

POINT WATERSPORTS CLUB

CLUBHOUSE UPDATE

FROM THE GM'S DESK

Dear Members,

The club was alive with activity this past weekend, with a fantastic turnout and great energy all around. With the weather still holding and plenty happening, we are expecting another busy weekend ahead. A gentle reminder to members that underground parking is reserved for the card holder only. Do not double swipe cards to allow friends and family access. Parking is limited, and we appreciate your cooperation in helping us manage this fairly for all.

Don't forget about our upcoming wine evening with **Stellenzicht**. It promises to be a wonderful night out, and with limited seats available, we encourage you to book early to avoid missing out. We are also looking ahead to Easter Sunday, where we will be hosting our **Annual Easter Egg Hunt** and jumping castles for the kids. It is always a highlight on the calendar, so be sure to join us for a fun-filled day with the family.

This weekend's entertainment:

- Friday: Kate 17h30 to 20h30
- Saturday: Vinyl DJ Jamie 13h00 to 17h00
- Sunday: Igal 13h00 to 16h00

We look forward to another great weekend at the club and hope to see you there.

Warm regards,

Grant Wessels
General Manager

Limited seats available. Booking is essential.

Book: www.myclubaccount/pwsc

DRINK RESPONSIBLY. NOT FOR PERSONS UNDER THE AGE OF 18.

Durban Ski Boat Club

Our **CMH Pelagic Species Competition** was another very successful event, which attracted over 70 boats. The rain on Friday and Saturday meant that water colour and temperatures dropped slightly by Sunday, and this meant that the fish were harder to find. Nonetheless, the day provided some excellent catches, and **Brent** took the grand prize with Couta of 20.44 kg, caught from the boat "Umhlungu". Well done, Brent.

The senior category was won by **Ryan**, with another Couta of 16.88 kgs, also caught from the same boat. The Top Lady prize went to **Wendy Bezuidenhout** for her 10.16 kg Wahoo, and our top junior was **Noah Coleman** with a 15.06 kg Couta. Congratulations to all our prize winners.

This coming weekend, **Umhlanga Ski Boat Club** will be holding thier **2026 Fishing Festival**, and we wish all our members participating in the tournament all the best of luck.

As we approach our **Durban Couta Festival** in a few weeks' time, this competition offers a great opportunity to get a feel of the waters and test out your tackle.

If you haven't already entered this year's **DSBC Festival**, now would be a great time, as places in the event are limited and are filling up fast. This year, we have a beautiful **SeaCat 565**, fitted with 2 x Yamaha 100hp four-stroke motors, valued at over R1 million, up for grabs, as well as loads of other great prizes, so you definitely don't want to miss this one!

Durban Undersea Club

ENVIRONMENTAL

What an absolutely fabulous morning with both familiar and new faces at our 3rd Reef Clean Up of 2026. We have truly been spoilt with excellent conditions this year and this weekend was no exception. The reef was full of life with sightings including a giant porcupine fish, lionfish, octopus, domino fish and so much more. A total of 30 volunteers joined in, collecting 6.5kg of debris from the reef and a further 9kg from the beach. A fantastic effort and a real impact made. Thank you to everyone who showed up and contributed. Save the date for the next clean up on **18 April 2026**.

OPEN WATER SWIMMING

Entries are building nicely for the upcoming monthly league swim on **28 March**, and it is shaping up to be another great turnout. With a cap of 250 swimmers, spots are limited, so do not leave it too late to enter. There is something special about these mornings, the buzz before the start, the shared challenge in the water and of course the well-earned bacon and egg roll afterwards. **Entry is R100** and can be done online. If you have been thinking about joining, this is your sign to get involved and be part of the energy.

SCUBA DIVING

The scuba divers were treated to epic conditions this past weekend. Report by **Adrian Pearton**, the dives delivered some incredible sightings. A large eagle ray cruised past on No.1, while a shoal of around 50 batfish gathered near the boat and towards the end of the dive on Blood Reef. To top it off, two huge brindle bass made a memorable appearance. Days like these remind us just how alive our reefs are.

FREEDIVING

The freedive team hosted a group of out-of-town visitors this weekend and Durban truly delivered. Visibility was exceptional and the highlight of the day was a rare and special sighting of a juvenile tiger shark. One of those unforgettable ocean moments. We have upcoming **freediving courses** running through April, May and June, so if you are curious about exploring the ocean on one breath, now is the time to get involved. Contact **Angie** on 082 874 1706 for more information. A big congratulations to DUC member **Fiona De Sousa** on her incredible performance at the **AIDA Pool National Champs** this past weekend, achieving a **171m dynamic bi-fin dive**. This is a phenomenal result and a testament to her dedication and training. We wish her all the best as she continues her preparation for the World Apnea Pool Champs in June.

SPEARFISHING

A reminder that the **DUC Spearfishing Combo Comp 2026** is coming up on **11 April**. Open to both shore and boat divers, this event covers the coastline from Port Edward to the Tugela River mouth, offering a wide and exciting playing field. Weigh-in will take place at the DUC wash bay at 15h00. For more information or to enter, contact **Louis** on 084 556 0253 or book via My Club Account.
