Congratulations to everyone recognised for their contribution to their respective sports and to DUC.

SCUBA DIVING

Last chance! There are just two spots left on the boat for the **DUC Scuba Trip to Ponta do Ouro** in November. The trip includes 7 dives, 4 nights' accommodation, and best of all, we'll have the boat to ourselves. Non-divers are also very welcome to join the trip and stay at Gala Gala, so you don't need to be a diver to come along. If you've been thinking about joining us, now is the time to book before those final two spots are gone. For more information, contact **Bryan** on 082 809 9188.

FREEDIVING

The **DUC Freediving Trip to Sodwana** is filling up nicely, with limited space still available. The trip includes 3 nights and 3 dives and is open to all levels, with no previous experience required. Snorkellers are welcome too, and the trip is family friendly. We haven't had many recent launches with the local conditions, but we're hopeful that the earlier rising sun and calmer weather ahead will give us some better windows to get back into the ocean soon. If you'd like to join the Sodwana trip or find out more about freediving with DUC, contact **Angie** on 082 874 1706.

OPEN WATER SWIMMING

We made a little whoopsie in last week's newsletter, so here's the correct date for our October League Swim! The next DUC Monthly League Swim will take place on **Saturday, 31 October**. All the usual details remain the same, including the entry fee and post-swim bacon and egg roll. For more information, contact **Steve** on 082 855 5516.

SPEARFISHING

The shark observation survey continues, with 16 forms submitted since 18 August, bringing the total to 201 submissions. There are just four months to go, so please keep those forms coming in. Every submission helps contribute to a better understanding of shark activity along our coastline. For more information on spearfishing with DUC, contact **Louis** on 084 556 0253.

Durban Ski Boat Club

Over the weekend, our Club Captain, **Mark Justham**, dominated the Bobbies "Test of the Best Daga Competition" for the 2nd year in a row. Mark won this year's competition with a brilliant fish of 32.9 kg, beating his earlier best of this season by more than 4kg, as well as retaking his spot as brag board leader for Daga for this year. Well done, Mark!

The weekend overall was a pretty productive one for our members, with lots of good fish coming out. Decent Daga and Yellowtail once again made up most of the catches, but there were plenty of other good bottom fish caught too, including Mussel cracker, Englishmen and Rockcod.

Our annual **Durban Ski Boat Club AGM** is coming up on **Wednesday 21 October**, and we appeal to all our members to attend. This is where you can participate in decisions about the direction the club is moving and voice any opinions on the year ahead.

The weekend of the **28th and 29th of November** is set as our safety inspection weekend, and Ronny Winsor and his team of surveyors will be on hand to help you complete the C.O.F. renewal process smoothly. Once again, we will have a fire extinguisher service on site. All the required documents are available to download on our website.
