Durban Undersea Club

WATERPOLO

Our DUC 3rd Division Waterpolo team is back in action, playing league matches every Tuesday evening at DHS. There are a few familiar faces and club legends in the mix, representing DUC in the pool. Great to see the team keeping the waterpolo spirit alive!

ENVIRONMENTAL

Conditions are looking good for this Saturday's **Beach and Reef Cleanup** with **Breathe Conservation**! Join the team at 07h00 for another morning of giving back to our coastline and underwater environment. Whether you're keen to help on the beach or get in the water, all helping hands are welcome. For more information, contact **Billi-Jean** on 082 759 7596. We hope to see plenty of DUC members there!

OPEN WATER SWIMMING

A reminder that our next **DUC Monthly League Swim** takes place this **Saturday, 28 November**. Entry is R100 and includes a bacon and egg roll afterwards. Registration is at 06h45 for a 07h15 start, with entries limited to 250 swimmers. Book through My Club Account and make sure you secure your spot. For more information, contact **Steve** on 082 855 5516.

FREEDIVING

An exciting weekend is coming up for our freediving community! **Brandon Reed** joins us on 28 and 29 November for a special freediving weekend. This is an incredible opportunity to develop your skills, refine your technique and learn from a world-class instructor. Whether you're looking to build confidence or take your freediving further, it's a fantastic chance to invest in your development in the water. For bookings and more information, contact **Angie** on 082 874 1706.

SCUBA DIVING

Our scuba crew is looking forward to the upcoming DUC social trip to Mozambique! It's always great to get the club together for some time away, exploring new dive sites and enjoying a few days of diving and good company. We'll share more from the trip in a future newsletter. Safe travels and happy bubbles to everyone joining!

SPEARFISHING

The shark observation survey is getting close to 250 submissions, with around 50 different spearos contributing so far. Not bad at all, but we'd love to see even more participation! A little challenge to everyone: if each of you could submit four survey forms over the next two months, that would be fantastic. Every submission helps build a better picture of shark activity along our coastline. Hopefully the water starts cleaning up soon. It already feels like summer is on its way, with the water temperatures warming up nicely. Here's hoping for some better conditions and plenty of time in the water!

Durban Ski Boat Club

Our Boat Inspection Weekend is just over a week away, coming up on **28 / 29 November**. Please ensure that you have all the correct documentation ready on the day. All the information and documents are available on our website, and if you have any questions, please feel free to contact **Ronny Windsor**, our club safety officer. Immediately after boat inspections on the Sunday, **Alan** has organised a "**Tackle Buy & Swap Meeting**" where you will be able to trade your unwanted tackle with others. There will also be a braai during the event, with fires being lit at 12: 00 pm, so remember to bring some meat along and enjoy a social afternoon in the wash bay.

Entries for the annual Durban Ski Boat Club **Dorado Bonanza** are open on our website, and we are looking forward to another bumper competition this year. The biggest Dorado caught on the day wins R15 000, and the heaviest Senior, Lady, and Junior catches win R5000 each; 2nd place wins R4000, and 3rd place takes home R3000 in each category. The Dorado have arrived, and regular catches have begun coming out, so we can look forward to an action-packed event.
