POINT WATERSPORTS CLUB

CLUBHOUSE UPDATE

FROM THE GM'S DESK

Dear Members,

We're looking forward to a busy week at the club! Tomorrow, **Wednesday 4 November**, is Voting Day, and the club will be open with public holiday trading hours. Members, don't forget to show your voting mark to enjoy a free filter coffee on us!

Our Friday Night **Club Joker Card Draw** continues to grow, with the prize pool now sitting at R29,500. Get your tickets at the till for your chance to win!

And don't miss it: our final **Bingo Night** of the year is this Wednesday! Games kick off at 17h00, with guaranteed jackpots of R1,500 for each of the first four games and R2,000 for the final game. Come along and help us wrap up the bingo season with a fun evening at the club.

This week's entertainment:

- **Wednesday**: Lance 12h00 to 15h00
- **Friday**: Richard 17h30 to 20h30
- **Sunday**: Charles Green 13h00 to 16h00

We look forward to seeing you there!

Warm regards,
Grant Wessels
General Manager

Durban Undersea Club

GENERAL NEWS | DUC MERCHANDISE

Looking for a little DUC spirit to take into the summer holidays? Our DUC Dive Team T-shirts are now available, along with rash vests, hats and dive bags in the club shop! These make fantastic stocking fillers for the ocean lovers in your life, so pop into the office and ask the team to show you what's available. We're also working on bringing the shop online soon, making it even easier to get your hands on some DUC gear. Watch this space!

OPEN WATER SWIMMING

A huge shout-out to **Carina Bruwer**, who completed an incredible 17 km swim from DUC to Umhlanga in 4 hours and 45 minutes last week, raising funds and awareness for sea turtles. Carina was supported by DUC, with skipper **Geoff Philips** accompanying her on the water and **Chris Shipley** serving as the official observer. What a fantastic effort for a cause close to our ocean-loving hearts! Photo credit below: Chris Shipley. Looking ahead, our next **Monthly League Swim** takes place on **Saturday, 28 November**. Entry is R100 and includes a bacon and egg roll afterwards. Keep an eye out for entries opening soon. For more information, contact **Steve** on 082 855 5516.

SCUBA DIVING

The scuba divers were kept out of the water last weekend by strong north-easterly winds. DUC member **Adrian Pearton** shares a little insight into what these conditions mean for our local diving: “For those that don't know, NE wind usually brings sunshine but makes the sea choppy, dirty, cold and full of bluebottles. Most of our best diving happens on overcast/rainy days because they follow a SW/cold front. In Nov-March you sometimes get 30m+ viz offshore (No1/Aliwal) on a NE because the Moz current runs hard close to shore. Inshore is nearly always bad with an easterly though.” So while sunny weather might look inviting from the beach, it doesn't always make for the best diving conditions! Here's hoping the next weather window brings some beautiful days underwater. For more information about joining DUC club dives, contact **Sarah** on 072 801 0606.

FREEDIVING

The freedivers were also kept out of the water by the same strong north-easterly winds, but we're getting back into the swing of things as the summer season gets underway. Launches are planned for this weekend, and our courses are starting up again. If you've been thinking about learning to freedive, now is a great time to get involved. Whether you're curious about exploring the ocean on one breath or simply want to become more comfortable and confident in the water, we'd love to hear from you. For information about upcoming courses, launches or weekly apnea pool training, contact **Angie** on 082 874 1706.

UNDERWATER HOCKEY

The countdown to Clubs in December is on, and our underwater hockey team is back at practice, putting in the work! We're growing our membership, sharpening our skills and bringing the Durban underwater hockey community together as we gear up for what's ahead. Every session counts, every player matters, and we're only just getting started. Whether you're an experienced player or keen to try something completely new, there's a place for you in the pool. Beginners are welcome, and equipment can be provided for those wanting to give it a go. Ready to get involved? Contact **Wesley** on 079 493 8237 and come join the team!

Durban Ski Boat Club

Bang! We are already in the last month of spring, and we are hopefully nearing the end of the windy season, so we should start seeing a few more decent fishing days as we creep closer to the end of the month. We didn't see much fishing over the last week, as the October winds made their presence felt, but the few guys who managed to sneak out reported good catches, following on from the previous week. Natal Snoek were the primary inshore gamefish species caught, with some decent-sized fish in the mix, while further out some good bottom catches were made in the evenings, including Geelbek and Daga Salmon.

Unfortunately, due to scheduling conflicts, we have had to postpone our **Ladies and Juniors Competition**, originally scheduled for the weekend of 28 - 29 November. The competition will now take place early next year, over the weekend of **6 - 7 February 2027**. We apologise for any inconvenience, but we have a lot lined up to keep you busy until then.

Our annual **Dorado Competition** is scheduled for **19 December** and promises great fun for all, along with the same exciting prizes that this competition always delivers, so be sure to save the date.

Later this month, on the **28th & 29th of November**, we are holding our **Annual Boat Inspection** weekend, and once again, **Ronny Windsor** and his team are ready to offer you an effortless experience. Please visit our website for the correct forms and requirements for your inspection.

Next Wednesday evening, **11 November**, we'll be hosting our final **Tackle Talk** of the year! We're excited to welcome **Byron Kane** as our guest speaker. Byron will be sharing valuable advice on how to prepare yourself and your tackle for the upcoming summer game fishing season. **Tails Up Tackle** will also host a pop-up store at the event, so be sure to stop by. We look forward to seeing you there!
